

List of Movers

CSA has compiled a list of movers in the Cairo area. We would suggest that you get quotes from three or four different movers so you can compare the prices and services offered.

Some questions that you should ask when the movers come to give you a quote:

1. For particularly fragile items ask how they will be packaged?
2. Can you see a sample of the packaging materials that will be used?
3. How long will it take to pack up the house?
4. Do you need to prepare anything before the movers come?
5. Will the packers that come speak English?
6. Will the quote be broken down clearly?
7. Will the quote include taxes?
8. Are there any additional fees?
9. Does the service include pet relocation?
 - a. If yes, where is the pet kept before it leaves Egypt?
 - b. What type of cage is needed for transport?
 - c. Should the pet be fed/watered before leaving?
10. Are your items insured for the duration of the move (Egypt to destination country)?
11. How will your items be moved (land, sea or air)?
12. How long will it take for your items to arrive in the destination country?
13. Can the items be tracked by the client while in transit?
14. Who will take responsibility for your items once they arrive in the destination country?
15. Is an unpacking service provided in the destination country?
16. What is the process for making a claim if some items are damaged in transit?
